OCTOBER ONLY: BUY 3 TIRES, GET THE FOURTH FOR \$1

We're giving away tires for just one dollar through the Hyundai Buy 3 Tires, Get 1 for \$1 promotion!

Buy three eligible Kumho or Yokohama tires, and one more dollar gets you the full set.

New tires can:

- Improve fuel economy
- Increase vehicle safety
- Enhance ride comfort

Replacing all four tires at once is recommended for maximum safety and handling, and our tires have been specially chosen for their optimal performance with Hyundai vehicles.

OFFER ENDS OCTOBER 31. BUY TODAY AND SAVE!

Have you checked the tread depth of your tires lately? Even tires with half their tread intact can be risky on wet surfaces.

Steering vs Sliding

If grooves aren't deep enough to channel water out from beneath the tread, hydroplaning can result.

Close Call vs Collision

If your car has worn tires, it can take twice as long to stop than if it had new tires.

Don't wait until you wish you'd had better tires. Order a new set of tires today, and the fourth tire only costs \$1.00!

This promotion is only good from October 1 to October 31, 2011.
